## 30 UNITED STATES OF AMERICA RED

Our wines were born out of pure passion and a wishful dream – to make something that is so distinctive and so delicious as to make it indispensable to wine lovers around the world. Clearly a rather lofty, even unrealistic notion, but one we decided to pursue anyway. And so, with the 1994 vintage, made a whopping four and a half barrels of Syrah that we called Queen of Spades.

These first four and a half barrels have grown into four different vineyard sites, a number of wonderfully dedicated and hardworking employees, a new winery building and a simply amazing number of loyal wine lovers around the world over.
